OUR SHOPS & RESTAURANTS

1 THE OLD MILL & GENERAL STORE

The Old Mill is one of the most photographed mills in the entire country and is listed on the National Register of Historic Places. It still functions as it did when it was built in 1830, grinding grains with every turn of its giant water-powered wheel. Over 1,000,000 visitors make a stop at the mill each year to observe it in action – grinding thousands of pounds of fresh grains daily.

At the General Store, you'll find all of the Old Mill's fresh-ground grains, such as yellow and white grits or cornmeal, a variety of flours, and our famous pancake and biscuit mixes. You'll also find homemade jams, jellies, salad dressings, and other popular products from our Old Mill line, as well as unique Smoky Mountain memorabilia. Monday-Saturday 8:30am - 9:00pm. Sunday 9:00am - 8:00pm. 865-453-4628.
